What is the purpose of the *Plan*?

Gower Elementary School District 62 (the “*Plan Sponsor*”) has adopted this Medical Flexible Spending Account, Dependent Care Flexible Spending Account and Pre-Taxed Premium Plan (the “*Plan*”) as set forth herein and as amended from time to time for the exclusive benefit of eligible *employees*. The purpose of this *Plan* is to allow eligible *employees* to pay eligible *qualified medical flexible spending expenses, qualified dependent care flexible spending expenses*, and their share of premiums under the *benefit plan* (“*benefit costs*”) using pre-tax dollars.

The intention of the *Plan Sponsor* is that the *Plan* qualifies as a “cafeteria plan” within the meaning of *Code* § 125 and the *Plan* shall be construed in a manner consistent with that Section. The tax implications of this *Plan*, however, are subject to rulings, regulations, and the application of the tax laws of the state and federal government. Although it may anticipate certain tax consequences as being likely, the *Plan Sponsor* does not represent or warrant to any *participant* that any particular tax consequence will result from participation in this *Plan*. By participating in this *Plan*, each *participant* understands and agrees that, in the event the Internal Revenue Service or any state or political subdivision thereof should ever assess or impose any taxes, charges and/or penalties upon any benefits received under the *Plan*, the recipient of the benefit will be responsible for those amounts, without contribution from the *Plan Sponsor*.

This *Plan* is intended not to discriminate as to eligibility or benefits in favor of the prohibited group(s) under *Code* §§ 105 and 125.

Effective date

This *Plan Document/Summary Plan Description* is effective as of July 1999 and each amendment is effective as of the date set forth therein (the “*effective date*”).

Adoption of the Plan Document/Summary Plan Description

A newborn child or child placed for adoption with a *qualified beneficiary* (as defined in the second bullet above) shall become a *qualified beneficiary* in his own right and shall be entitled to benefits as a *qualified beneficiary*.

DEFINITIONS (Continued)

- Identifies either the specific type of coverage or all available group health coverage. If the *participating employer* receives a *national medical support notice* that does not designate either specific types of coverage or all available coverage, the *participating employer* and the *Plan Administrator* will assume that all are designated;

“Waiting period” means an interval of time during which the eligible *employee* is in the continuous, *active employment* of his *participating employer* before he becomes eligible to participate in the *Plan*.

ELIGIBILITY FOR PARTICIPATION

Am I eligible to participate in the *Plan*?

If you are an active, full-time *employee* regularly scheduled to work at least 30 hours per week, are compensated on a 24 pay period basis, and you have completed a *waiting period* of continuous *active employment* from your date of hire.

If you are absent from work due to illness or a medical condition, you will be considered to be *actively at work* during that time period for the purposes of eligibility under this *Plan*.

When will my participation begin?

If you are a new *employee*, your entry date for the *Plan* is contingent upon completion of the eligibility requirements outlined above. If you are a new *employee* who is eligible to participate, your entry date will be the first day of the next *plan year* provided that you have completed a *salary redirection agreement*. You must complete a proper *salary redirection agreement* during the *annual enrollment period* in order to participate in this *Plan* for the *plan year*.

If you are enrolling during an *annual enrollment period*, your entry date will be the first day of the *plan year* following the *annual enrollment period*, provided that you have completed a *salary redirection agreement*.

By completing the *salary redirection agreement* you will be enrolling in this *Plan*. If you participate in the *benefit plan*, you may elect to reduce your salary so that your share of the premiums for the *benefit plan* redirections are paid using pre-tax dollars. Additionally, you may elect to contribute to a *qualified medical flexible spending account* and/or a *qualified dependent care flexible spending account*. Eligible *employees* who do not participate in this *Plan* may not pay any required redirections to the *benefit plan* with pre-tax dollars, nor may they pay *qualified medical flexible spending expenses* and/or *qualified dependent care flexible spending expenses* using pre-tax dollars.

Unless you experience a change in circumstances, as described below, your *salary redirection agreement* will continue in force for that *plan year*, and you will be required to complete a new *salary redirection agreement* for each subsequent *plan year* for which you decide to participate in this *Plan*. However, once you elect to contribute to a *Pre-Taxed Premium Plan* that election will continue to remain in effect from *plan year* to *plan year*, unless you affirmatively elect to cease your participation by so indicating on a new *salary redirection agreement*.

If you do not submit the *salary redirection agreement* to the *Plan Administrator* within 30 days of becoming eligible, or during the *annual enrollment period*, it will be assumed that you have decided not to participate in the *Plan*, and you will not have the opportunity to enroll until the next *annual enrollment period*.

May I elect not to participate in the *benefit plan*?

You may elect not to participate in the *benefit plan* by completing and filing an appropriate election/declination form with the *Plan Sponsor* within 30 days of your original eligibility period or an *annual enrollment period*.

May I make mid-year changes in my *Plan* elections?

Generally, you cannot change your election to participate in the *Plan* or decrease or increase the amount you have elected to contribute to your account(s) once the *plan year* begins. However, you may make a mid-year election change if you experience a change in status event listed below, if that change in status event affects the eligibility for benefits of you, your *spouse*, or your *dependent*, and the election change you make is consistent with the change in status event. Change in status events include but not limited to:

- Marriage.
- Divorce, legal separation, or annulment.
- Birth, adoption, or placement for adoption of a child.
- Death of a *spouse* or *dependent*.

ELIGIBILITY FOR PARTICIPATION (Continued)

- Termination or commencement of employment by you, your *spouse*, or your *dependent*.
- Reduction or increase in hours of employment by you, your *spouse*, or your *dependent* which results in a change in eligibility under the *Plan* (including a switch from part-time to full-time employment status or vice versa, a strike, or a lockout).
- Place of residence change by you, your *spouse*, or your *dependent*, which results in a change in eligibility.
- Your dependent satisfies or ceases to satisfy the requirements for coverage due to attainment of age or any similar circumstance that would make the dependent ineligible.
- Commencement or return from an unpaid leave of absence by you, your spouse, or your dependent.
- A change in worksite of you, your spouse, or your dependent.
- The entitlement to Medicare or Medicaid or the loss of coverage under Medicare or Medicaid by you, your *spouse*, or your *dependent*.
- If you, your *spouse*, or your *dependent* becomes eligible for COBRA continuation coverage under the *benefit plan*, you may elect to increase your redirection to the *Pre-Taxed Premium Plan* or the *qualified medical flexible spending account*.
- Reduces your hours of service to below 30 hours of service per week (even if *plan* eligibility is not impacted by this reduction in service) and enroll in other health coverage; or
- You qualify for either a special or annual enrollment period in the Health Insurance Exchange Marketplace and then enrolls in the Marketplace plan.

If you experience such a change in status and wish to change your level of coverage, you must submit written notification to the *Plan Administrator* within 30 days of your change in status, as well as a new *salary redirection agreement* reflecting your new redirection elections. The *Plan Administrator* reserves the right to require you to submit proof of any change in status at your expense. The change in coverage becomes effective with the first pay period following the date the written notification is received by the *Plan Administrator*, except that coverage for birth, adoption, or placement for adoption becomes effective the date of the event. Any such change will remain in effect for the remainder of the *plan year*.

Must the election change be consistent with the change in status?

You will be permitted to change an election during the *plan year* and make a new election for the remainder of the *plan year* only if the change you make is consistent with the event. For example, you can only change your election to contribute to the *Pre-Taxed Premium Plan* or the *qualified medical flexible spending account* if:

- The change in status results in you or your spouse or dependent child, gaining or losing eligibility for health coverage under the *benefit plan* or another health plan of your spouse's or dependent child's employer; and
- The election change corresponds with that gain or loss of coverage.

What if there is a change in the cost of coverage during the *plan year*?

If the *benefit costs* increase or decrease during a *plan year*, the *Plan* may, on a reasonable and consistent basis, automatically make a prospective increase or decrease in the affected *participant's* elective redirections for the *Pre-Taxed Premium Plan*.

If the *benefit costs* significantly increase or decrease (as determined by the *Plan Sponsor*), you may make a corresponding change in your election to participate in the *Pre-Taxed Premium Plan*.

May I continue participation during *FMLA leave*?

If the leave of absence is qualified under *FMLA* you have the option to terminate your participation or continue your participation in the *Plan* and make payments in a manner determined by the *Plan Administrator*, in its sole discretion, from among the following options:

ELIGIBILITY FOR PARTICIPATION (Continued)

- **Pre-Payment:** You may prepay the contributions that will become due during your *FMLA leave*. Under this option, you may take contributions on a pre-tax basis from any available compensation.
- **Pay-As-You-Go:** You may pay the contributions that become due during your *FMLA leave* on the same schedule as they would otherwise be taken from your pay, on the schedule for *COBRA* payments, under the *participating employer's* existing rules for payment, or on any other schedule agreed upon by you and the *Plan Administrator*.
- **Catch-Up:** The *Plan Sponsor* may advance the contributions on your behalf, and may recoup the contributions upon your return from *FMLA leave*.

The Pre-Payment and the Catch-Up option may not be offered without also offering the Pay-As-You-Go option.

FMLA leave is treated as a change in status. Therefore, when beginning and/or returning from a qualified leave, you may complete a change in status form.

May I continue participation while I am absent under *USERRA*?

If you are absent from employment because you are in the *uniformed service*, you may elect to continue your coverage under this *Plan* for up to 24 months. If you elected to continue coverage under *USERRA* before December 10, 2004, the maximum period for continuing coverage is 18 months. To continue your coverage, you must comply with the terms of the *Plan*, including election during the *Plan's annual enrollment period*, and pay your contributions in accordance with the options outlined above for a *participant* who goes on *FMLA leave*.

When does my participation end?

If you terminate employment with the *participating employer*, your participation in this *Plan* will terminate on the last day you are *actively at work* unless you elect to continue your participation in accordance with the guidelines provided in the “*COBRA continuation coverage*” section. Any *qualified medical flexible spending expenses* or *qualified dependent care flexible spending expenses* incurred during the *plan year* prior to the date of termination will be reimbursed by the *Plan* in accordance with the guidelines in the section, “*Benefits*.” Your participation in this *Plan* will also terminate if the *participating employer* decides to terminate this *Plan*, or if you voluntarily decide not to participate under the terms of this *Plan*.

If your participation in this *Plan* terminates because you are no longer eligible to participate, you may either revoke your election to participate and terminate your participation in the *Plan* for the remainder of the *plan year* or continue your participation in accordance with the “*COBRA continuation of coverage*” section. If you do not make payments as required under *COBRA*, it will be assumed that you elected to revoke your participation in this *Plan*.

If you elect not to continue your participation in the *qualified medical flexible spending account* as provided under *COBRA*, and you return to eligible employment with your *participating employer* within the same *plan year*, you will not be permitted to rejoin the *qualified medical flexible spending account* for the remainder of the *plan year*.

If you do not complete and file a *salary redirection agreement* during the *annual enrollment period*, your participation will end at the end of the *plan year*.

ELIGIBILITY FOR PARTICIPATION (Continued)

COBRA continuation of coverage for contributions to a qualified medical flexible spending account

If you are a *participant* in the *Plan*, you, your *spouse* or your *dependents* may be eligible for continued coverage under *COBRA* for contributions made to a *qualified medical flexible spending account*. *COBRA* may give you the right to continue your benefits under a *qualified medical flexible spending account* beyond the date that they might otherwise terminate. The entire cost (plus a reasonable administration fee) must be paid by you. Coverage will end in certain instances, including if you fail to make timely payment of premiums. Generally, *COBRA* applies to employers with 20 or more employees. You should check with your *participating employer* to see if *COBRA* applies to you.

When am I eligible for *COBRA*?

You may elect *COBRA* coverage if a *qualifying event* occurs and results in a loss of participation in the *Plan*, such as:

- The death of the *participant*.
- The termination of the *participant's* employment (other than by reason of the *participant's* gross misconduct) or reduction in the *participant's* hours of employment.
- The divorce or legal separation of the *participant* from his *spouse*.
- A *dependent* child ceases to be a *dependent* under the terms of the *Plan*.
- The *participant* becomes entitled to *Medicare* benefits.

In the event that the *COBRA* premium for the remainder of the *plan year* exceeds the maximum benefit still available under the *qualified medical flexible spending account* as of the date of the *qualifying event*, the *Plan Administrator* has the option to either not offer *COBRA* continuation coverage, or offer the coverage for the remainder of the *plan year*.

Who may elect *COBRA* coverage?

The following people are known as *qualified beneficiaries* and may elect *COBRA* coverage that will include the benefits to which they were entitled to under the *Plan* on the day before one of the above *qualifying events*:

- The *spouse* or any *dependent* child of the *participant* under the *Plan*.
- The *participant*, if the *qualifying event* is the termination of coverage due to termination of employment or reduction in hours.

If a *dependent* under the *Plan* who is also a *qualified beneficiary* has a newborn child, adopts a child, or a child is placed for adoption with that *dependent*, that child will be entitled to the same *COBRA* coverage period, but will not become a *qualified beneficiary* in his own right.

If you have a newborn child, adopt a child, or a child is placed for adoption with you, that child will become a *qualified beneficiary* in his right.

ELIGIBILITY FOR PARTICIPATION (Continued)

Who must be notified when a *qualifying event* occurs?

For *qualifying events* such as divorce, legal separation or change in *dependent* status, you must inform the *Plan Administrator* of the event within 60 days of the event. For *qualifying events* such as death, termination or reduction in hours, entitlement to *Medicare*, bankruptcy or failure to return from leave under the *FMLA*, the *participating employer* has 30 days from the date of the *qualifying event*, or the date that you will lose coverage due to the *qualifying event*, in which to notify the *Plan Administrator*. The *Plan Administrator* has the obligation to furnish you, your *spouse* and your *dependents*, if they are eligible to receive benefits under this *Plan*, with separate, written options to continue coverage within 14 days of receiving notice of the *qualifying event*.

You must notify the *Plan Administrator* within 30 days of a child's birth, adoption, or placement for adoption in order to add the child to the continuation coverage.

What is the cost of *COBRA* coverage?

If you are eligible for and choose to continue coverage, you will be required to pay 102% of your normal contribution, and 102% of the *employer contribution*. This contribution will be on an after-tax basis.

How long may coverage be continued?

If you have experienced a *qualifying event* and have a positive balance in your *qualified medical flexible spending account* at the time of the event (taking into account all claims submitted before the date of the event), you may be eligible to continue participation in this *Plan* under *COBRA*. Your *COBRA* coverage period ends on the last day of the *plan year* in which the *qualifying event* occurs.

Qualified medical flexible spending expenses

If you elect to contribute to a *medical flexible spending account*, the *Plan* will reimburse you for *qualified medical flexible spending expenses* which are *incurred* by you, your *spouse*, or your *dependent* during the *plan year*. Qualified dependent care flexible spending expenses

If you have elected to contribute to a *dependent care flexible spending account*, the *Plan* will reimburse you for *qualified dependent care flexible spending expenses* which are *incurred* by you during the *plan year*.

BENEFITS (Continued)

What are examples of qualified and non-qualified dependent care flexible spending expenses?

The examples listed in this section are intended only to give you a convenient reference to the types of expenses that may be eligible for reimbursement. Determination of eligible expenses will be in accordance with *Code* §§ 21 and 129, as stated at the time the expense is *incurred*.

Benefit costs

By electing to participate in the *Pre-Taxed Premium Plan*, your portion of the *benefit costs* will be taken out of your salary and paid using pre-tax dollars.

Debit card feature

Qualified medical flexible spending expenses may be purchased directly from the merchant or provider of services through the use of a *debit card*. This is a very convenient way to access the benefits of the *Plan*. Here is how the *debit card* feature works:

When you enroll in the *Plan* each year, you must certify that the *debit card* will only be used for *qualified medical flexible spending expenses*, as defined in *Code* § 213(d). You must also certify that you will not pay any expense with the *debit card* that has been reimbursed and that you will not seek reimbursement for the expense under any other plan covering health benefit. The certification will be printed on your *debit card*, and by using the card, you will reaffirm the certification each time you use the *debit card*.

When you use the *debit card* at the point-of-sale, the merchant or provider of service is paid the full amount of the *qualified medical flexible spending expense* and your maximum available coverage remaining is reduced by that amount. Your use of the *debit card* is limited to the maximum dollar amount of coverage available in your *qualified medical flexible spending account*.

Your *debit card* is ineffective except at those merchants and providers of service authorized by the *Plan*, so that the use of the card at other merchants or service providers will be rejected. The *Plan* limits the *debit card's* use to specified Merchant Codes relating to covered health care. Thus, the *debit card's* use is limited to physicians, pharmacies, dentists, vision care offices, hospitals and other medical care providers of service.

BENEFITS (Continued)

You must agree to acquire and retain sufficient documentation for any expense paid with the *debit card*, including invoices and receipts where appropriate. All charges to the *debit card* are treated as conditional pending confirmation of the eligibility of the charge through your documentation. Within 10 days of using your *debit card*, you must upon *Administrator* request, submit an invoice or receipt from the merchant or provider of service, including the information required under “How do I file a claim for *qualified medical flexible spending expenses*”.

Substantiation of *qualified medical flexible spending expenses* will be satisfied without additional documentation when:

- The dollar amount of the transaction at a health care provider exactly equals the dollar amount of the co-payment under the *benefit plan* for that service;
- The expense is a recurring expense that exactly matches a previously approved *qualified medical flexible spending expense* at this provider for the same time period;
- Verification is provided to the *Plan* through “real-time substantiation” that the expense is a *qualified medical flexible spending expense* by the provider of service, merchant or independent third party (e.g., Pharmacy Benefit Manager).

If the *Plan Administrator* finds that any claims have been paid that are not for *qualified medical flexible spending expenses*, you are required to refund any amount so identified to the appropriate account. If you fail to promptly refund the overpayment to the *Plan*, the amount may be withheld from your wages or other compensation to the extent permitted by law. In addition, the *Plan* reserves the right to suspend your use of the *debit card* and/or credit the overpayment against other *qualified medical flexible spending expenses*, that you may submit until the overpayment refund is satisfied. Amounts overpaid for *qualified medical flexible spending expenses* will not be credited against *qualified dependent care flexible spending expenses* and vice versa.

Your *debit card* will automatically be cancelled if your employment terminates or if your participation in the *plan* otherwise terminates, [regardless of any applicable *grace period*].

Must I file a claim for benefits under the *Pre-Taxed Premium Plan*?

No, it is not necessary to file a claim for benefits under a *Pre-Taxed Premium Plan*. Amounts taken out of your pay pursuant to a *salary redirection agreement* will automatically be used to pay your *benefit costs*.

How do I file a claim for benefits under a *qualified medical flexible spending account* if it is not a self-substantiating debit charge?

You must submit a properly completed and documented claim to:

900 Jorie Blvd., Suite 250

BENEFITS (Continued)

If the expenses are not reimbursable under any *benefit plan*, include a copy of the provider's statement that shows the date(s) of service, an explanation of services, and the name of the provider, along with a copy of the Explanation of Benefits or denial letter(s) from the *benefit plan(s)*. Canceled checks or balance due statements are not acceptable.

You must also submit a signed statement in a form furnished and approved by the *Plan Administrator* certifying that the expenses for which you are seeking reimbursement are expenses which you believe in good faith are eligible for reimbursement under the *Plan*.

The *Plan Administrator*, in its sole discretion, reserves the right to verify to its satisfaction the eligibility of all claimed expenses prior to reimbursement and to refuse to reimburse any amounts that it determines are not eligible for reimbursement under this *Plan*.

The *Plan* will pay properly submitted claims for reimbursement at such intervals as the *Plan Administrator* may consider appropriate.

What if my *qualified medical flexible spending account* balance or my *qualified dependent care flexible spending account* balance is less than my claim?

Reimbursement for *qualified medical flexible spending expenses* is limited to the annualized amount that you have elected to reduce your salary or wages and contribute to the *qualified medical flexible spending account* for the *plan year* under a valid *salary redirection agreement*. Reimbursement for *qualified dependent care flexible spending expenses* is limited to the amount that you have elected to reduce your salary or wages to contribute to the *qualified dependent care flexible spending account* for the *plan year* under a valid *salary redirection agreement* for that *plan year*.

What if I do not use all of the money in my *qualified medical flexible spending account*?

You have 90 days after the end of the *plan year* to file any *qualified medical flexible spending expenses* incurred for that year. If you fail to file for reimbursement within this time limit, or if you did not *incur* enough *qualified medical flexible spending expenses* to meet your annual salary reduction amount, you may carryover unused amounts up to \$500 max. Any unused amounts in excess of \$500 max that remain at the end of the *plan year* will be forfeited.

BENEFITS (Continued)

The carryover funds may be used to pay or reimburse *qualified medical flexible spending expenses* under this *Plan* during the entire *plan year* to which they have been carried over; however, all carryover funds must be used in the *plan year* immediately following the *plan year* from which they are carried over.

Terminated employees should submit all eligible claims within 60 days of termination for processing.

What if I do not use all of the money in my *qualified medical flexible spending account* or my *qualified dependent care flexible spending account*?

You have 90 days after the end of the *plan year* to file any *qualified medical flexible spending expenses* and *qualified dependent care flexible spending expenses incurred* for that year. Terminated employees should submit all eligible claims within 60 days of termination for processing.

If you fail to file for reimbursement within this time limit, or if you did not incur enough *qualified medical flexible spending expenses* or *qualified dependent care flexible spending expenses* to meet your annual salary redirection amount to each respective account, you forfeit any unused funds in your account.

BENEFITS (Continued)

To the extent that it is not used to pay claims, the amount of redirection to your *qualified medical flexible spending account* will accumulate throughout the *plan year*. If you submit an eligible claim during the *plan year* in an amount that exceeds your current *qualified medical flexible spending account* balance, the *Plan* will reimburse your claim expense up to the annualized amount of your redirection, less any amounts already used to pay claims. Your salary redirection election amount will continue to be taken for the remainder of the *plan year*.

To the extent that it is not used to pay claims, the amount of redirection to your *qualified dependent care flexible spending account* will also accumulate throughout the *plan year*. If you submit an eligible claim during the *plan year* in an amount that exceeds your current *qualified dependent care flexible spending account* balance, the *Plan* will reimburse your claim expense up to the total amount of redirection in your *qualified dependent care flexible spending account*, less any amounts already used to pay claims. As redirection amounts become available in your *qualified dependent care flexible spending account*, they may be used to reimburse any unpaid balance from a previously submitted *qualified dependent care flexible spending expense*. At no time during the *plan year* will the amount paid for claims exceed the amount of redirection made to the *qualified dependent care flexible spending account*.

In no instance can amounts contributed to a *qualified medical flexible spending account* be used to reimburse *qualified dependent care flexible spending expenses*, or vice versa.

May I withdraw any or all of the balance of *qualified medical flexible spending account* for expenses other than *qualified medical expenses*?

No. The only exception to this rule is for *qualified reservist distributions*. In the event of a QRD the Employer will reimburse the Employee the amount of redirections to date, minus any previous reimbursements. The amount of the distribution will be included in the Employee's gross income and wages and is subject to all applicable taxes and will be reported on the employee's Form W-2 for the year in which the QRD is paid.

What if I do not use all of the money in my *qualified medical flexible spending account* or my *qualified dependent care flexible spending account*?

How is a Pre-Taxed Premium Plan funded?

The *Pre-Taxed Premium Plan* is funded by your redirections under a *salary redirection agreement* with the *participating employer*. The redirection amounts paid under the *salary redirection agreement* will be adjusted automatically during a *plan year* to reflect changes in the *benefit cost*.

Order of funding

The total salary redirection amount for this *Plan* for any one time period may not exceed the amount of your salary or wages for that period. In the event that the total elected amount exceeds your salary or wages for a period, amounts available shall be used to fund the accounts in the following order: the *Pre-Taxed Premium Plan*, the *qualified medical flexible spending account*, then the *qualified dependent care flexible spending account*. The total salary redirection amount will be reduced by the amount it exceeds your salary or wages for that period; however, future redirections will be adjusted to compensate for such reduction.

Accounting

The *Plan Administrator* will maintain complete records of all amounts to be credited as a redirection or debited as a reimbursement of *qualified medical flexible spending expenses* or *qualified dependent care flexible spending expenses* on behalf of each *participant*. All redirections will be held as part of the general assets of the *participating employer*. No trust fund will be established and no other segregation or investment of assets will be made to maintain accounts of redirections under this *Plan*. Any benefit check that remains unclaimed or uncashed shall be forfeited back to the employer if it remains unclaimed or uncashed for more than 180 days.

SALARY REDIRECTION AND DISCRIMINATION

Election period for salary redirection

In order to fund a *qualified medical flexible spending account*, *qualified dependent care flexible spending account*, or the *benefit costs* for a *Pre-Taxed Premium Plan* for a *plan year*, you must complete and file with the *Plan Administrator* an appropriate *salary redirection agreement* election form as described in the section, “Eligibility for Participation.” You should consider carefully the amount of salary redirection you elect for each account because you will forfeit any unused amount at the end of the *plan year*.

Termination, revocation, or amendment of salary redirection elections

Your *salary redirection agreement* election for a *plan year* will terminate at the end of the *plan year*. You must make an affirmative election for a new salary redirection for each *plan year*. However, with regard to the *Pre-Taxed Premium Plan*, once you have elected to participate in a *Pre-Taxed Premium Plan*, your participation will continue from *plan year* to *plan year* unless you affirmatively elect to cancel or change that participation by completing the appropriate *salary redirection agreement*.

Termination, revocation, or amendment of salary redirection elections may only be made by you in accordance with the section, “Eligibility for Participation,” “May I make mid-year changes?”.

Forfeiture of salary redirection amounts

If you fail to claim any amounts in the *qualified medical flexible spending account*, *qualified dependent care flexible spending account*, or *Pre-Taxed Premium Plan* within the time limits specified in the section, “Benefits,” “Is There a Time Limit for Filing Claims?,” such amounts will be forfeited by you to the *Plan Sponsor*.

Reduction of salary redirection elections to prevent discrimination in favor of prohibited group(s)

The *Plan* is intended not to discriminate in favor of highly compensated individuals as to eligibility to participate, redirections and benefits and is intended to comply in this respect with the requirements of the *Code*. If, in the judgment of the *Plan Administrator*, the operation of the *Plan* in any *plan year* would result in such discrimination, then the *Plan Administrator* shall select and exclude from coverage under the *Plan* such highly compensated individuals who are *participants*, and/or reduce redirections under the *Plan* by highly compensated individuals who are *participants*, to the extent necessary to assure that, in the judgment of the *Plan Administrator*, the *Plan* does not discriminate.

The *Plan Administrator* will have the full authority to reduce the salary redirection elections of *participants* who are members of the prohibited group(s) under *Code* §§ 105(h) or 125, to the extent necessary to prevent the *Plan* from discriminating in favor of such prohibited group(s).

Determination of noncompliance

In the event that a determination is made that all or any part of the redirections to the *Plan* do not qualify as non-taxable redirections to a “cafeteria plan” under *Code* § 125, the affected redirections made by any *participant* will be treated as salary, and any unpaid balance in the *qualified medical flexible spending expense account*, the *qualified dependent care flexible spending account* and/or the *Pre-Taxed Premium Plan* will be returned to the *participant*. The *participant* must pay:

- Any state or federal income taxes due with respect to such amount, together with any interest or penalties imposed;
- The *participant’s* share (as determined in good faith by the *participating employer*) of any applicable FICA or FUTA redirections which would have been withheld from such amounts by the *participating employer* had such amounts been treated as salary and not as *qualified medical flexible spending expenses*, *qualified dependent care flexible spending expenses*, or *benefit costs*; and

SALARY CONTRIBUTION AND DISCRIMINATION (Continued)

- An amount (as determined in good faith by the *participating employer*) equal to the portion of any applicable penalties and interest payable by the *participating employer* as the result of the failure to withhold and pay such amounts to the appropriate payee allocable to the *participant*.

Who has the authority to make decisions in connection with the Plan?

The *Plan* is administered by the *Plan Administrator* in accordance with *ERISA*. The *Plan Administrator* has retained the services of the *third party administrator* to provide certain claims processing and other ministerial services. An individual or entity may be appointed by the *Plan Sponsor* to be *Plan Administrator* and serve at the convenience of the *Plan Sponsor*. If the *Plan Administrator* resigns, dies, is otherwise unable to perform, is dissolved, or is removed from the position, the *Plan Sponsor* will appoint a new *Plan Administrator* as soon as reasonably possible.

The *Plan Administrator* will administer this *Plan* in accordance with its terms and establish its policies, interpretations, practices, and procedures. It is the express intent of this *Plan* that the *Plan Administrator* will have maximum legal discretionary authority to construe and interpret the terms and provisions of the *Plan*, to make determinations regarding issues which relate to eligibility for benefits (including the determination of what services, supplies, care and treatments are not *qualified medical flexible spending expenses, qualified dependent care flexible spending expenses, or benefit costs*), to decide disputes which may arise relative to a *participant's* rights, and to decide questions of *Plan* interpretation and those of fact relating to the *Plan*. The decisions of the *Plan Administrator* as to the facts related to any claim for benefits and the meaning and intent of any provision of the *Plan*, or its application to any claim, shall receive the maximum deference provided by law and will be final and binding on all interested parties. Benefits under this *Plan* will be paid only if the *Plan Administrator* decides, in its discretion, that the *participant* is entitled to them.

The duties of the *Plan Administrator* include the following:

- To administer the *Plan* in accordance with its terms;
- To determine all questions of eligibility, status and coverage under the *Plan*;
- To interpret the *Plan*, including the authority to construe possible ambiguities, inconsistencies, omissions and disputed terms;
- To make factual findings;
- To decide disputes which may arise relative to a *participant's* rights;

- To perform all necessary reporting as required by *ERISA*;
- To establish and communicate procedures to determine whether *MCSOs and NMSNs* are *QMCSOs*;

PLAN ADMINISTRATION (Continued)

May changes be made to the *Plan*?

The *Plan Sponsor* expects to maintain this *Plan* indefinitely; however, the *Plan Sponsor* may, in its sole discretion, at any time, amend, suspend or terminate the *Plan* in whole or in part. This includes amending the benefits under the *Plan*.

Any such amendment, suspension or termination shall be enacted, if the *Plan Sponsor* is a corporation, by resolution of the *Plan Sponsor's* directors and officers, which shall be acted upon as provided in the *Plan Sponsor's* articles of incorporation or bylaws, as applicable, and in accordance with applicable federal and state law. Notice shall be provided as required by *ERISA*. In the event that the *Plan Sponsor* is a different type of entity, then such amendment, suspension or termination shall be taken and enacted in accordance with applicable federal and state law and any applicable governing documents. In the event that the *Plan Sponsor* is a sole proprietorship, then such action shall be taken by the sole proprietor, in his own discretion.

If the *Plan* is terminated, the rights of *participants* are limited to expenses *incurred* before termination. All amendments to this *Plan* shall become effective as of a date established by the *Plan Sponsor*.

Additional operating rules

A *participant's* salary redirection amount will not be subject to federal income tax withholding or to applicable Social Security (FICA or FUTA) tax withholding. Salary redirection amounts will not be subject to any state income tax withholding unless otherwise prohibited by applicable state law.

Salary redirection amounts under this *Plan* shall not reduce salary or wage for purposes of any other employer sponsored employee benefit programs unless the provisions of those programs otherwise provide.

MISCELLANEOUS INFORMATION

Will the *Plan* release my information to anyone?

For the purpose of determining the applicability of and implementing the terms of these benefits, the *Plan Administrator* may, without the consent of or notice to any person, release or obtain any information necessary to determine the acceptability of any applicant or *participant* for benefits under this *Plan*. In so acting, the *Plan Administrator* shall be free from any liability that may arise with regard to such action; however, the *Plan Administrator* at all times will comply with the *privacy standards*. Any *participant* claiming benefits under this *Plan* shall furnish to the *Plan Administrator* such information as may be necessary to implement this provision.

What if the *Plan* makes an error?

Clerical errors made on the records of the *Plan* and delays in making entries on such records shall not invalidate participation nor cause participation to be in force or to continue in force. Rather, the effective dates of participation shall be determined solely in accordance with the provisions of this *Plan* regardless of whether any redirections with respect to *participants* have been made or have failed to be made because of such errors or delays. Upon discovery of any such error or delay, an equitable adjustment of any such redirections will be made.

In the event that it has determined that the *Plan Administrator* has mistakenly reimbursed an expense which did not qualify under the terms of the *Plan*, the *Plan Administrator* may adjust your pay and appropriately credit the *qualified medical flexible spending account, qualified dependent care flexible spending account* or *Pre-Taxed Premium Plan*.

Will the *Plan* conform with applicable laws?

This *Plan* shall be deemed automatically to be amended to conform as required by any applicable law, regulation or the order or judgment of a court of competent jurisdiction governing provisions of this *Plan*, including, but not limited to, stated maximums, exclusions or limitations. In the event that any law, regulation or the order or judgment of a court of competent jurisdiction causes the *Plan Administrator* to pay claims that are otherwise limited or excluded under this *Plan*, such payments will be considered as being in accordance with the terms of this *Plan Document/Summary Plan Description*. It is intended that the *Plan* will conform to the requirements of *ERISA*, as it applies to employee welfare plans, as well as any other applicable law.

When must legal actions be filed?

Any action with respect to a fiduciary's breach of any responsibility, duty or obligation hereunder must be brought within one year after the *benefit costs, qualified medical flexible spending expenses* or *qualified dependent care flexible spending expenses* are *incurred* or are alleged to have been *incurred*. Any limitation on actions regarding claims for benefits shall be as provided in the section entitled "Claims Review Procedures."

What constitutes a fraudulent claim?

The following actions by you, or your knowledge of such actions being taken by another, constitute fraud and will result in immediate termination of participation under this *Plan*:

- Attempting to submit a claim for benefits (which includes attempting to fill a prescription) for a person other than you, your *spouse* or your *dependent* according to the *Plan*;
- Attempting to file a claim for services that were not rendered or drugs or other items that were not provided;
- Providing false or misleading information in connection with enrollment in the *Plan*; or
- Providing any false or misleading information to the *Plan*.

MISCELLANEOUS INFORMATION (Continued)

How will this document be interpreted?

The use of masculine pronouns in this *Plan Document/Summary Plan Description* shall apply to persons of both sexes unless the context clearly indicates otherwise. The headings used in this *Plan Document/Summary Plan Description* are used for convenience of reference only. *Participants* are advised not to rely on any provision because of the heading.

The use of the words, “you” and “your” throughout this *Plan Document/Summary Plan Description* applies to *participants*.

How may a *Plan* provision be waived?

No term, condition or provision of this *Plan* shall be deemed to have been waived, and there shall be no estoppel against the enforcement of any provision of this *Plan*, except by written instrument of the party charged with such waiver or estoppel. No such written waiver shall be deemed a continuing waiver unless specifically stated therein, and each such waiver shall operate only as to the specific term or condition waived and shall not constitute a waiver of such term or condition for the future or as to any act other than the one specifically waived.

Is this *Plan Document/Summary Plan Description* a contract between the employer and *participants*?

This *Plan Document/Summary Plan Description* and any amendments constitute the terms and provisions of coverage under this *Plan*. The *Plan Document/Summary Plan Description* shall not be deemed to constitute a contract of any type between the *participating employer* and any *participant* or to be consideration for, or an inducement or condition of, the employment of any *employee*. Nothing in this *Plan Document/Summary Plan Description* shall be deemed to give any *employee* the right to be retained in the service of the *participating employer* or to interfere with the right of the *participating employer* to discharge any *employee* at any time.

May I appoint an authorized representative?

A *participant* is permitted to appoint an authorized representative to act on his behalf with respect to a benefit claim or appeal of a denial. To appoint such a representative, the *participant* must complete a form which can be obtained from the *Plan Administrator* or the *third party administrator*. In the event a *participant* designates an authorized representative, all future communications from the *Plan* will be with the representative, rather than the *participant*, unless the *participant* directs the *Plan Administrator*, in writing, to the contrary.

How will the *Plan* pay benefits?

All benefits under this *Plan* are payable, in U.S. Dollars, to the *participant* or, if appropriate, the *alternate recipient*. In the event of the death or incapacity of a *participant* and in the absence of written evidence to this *Plan* of the qualification of a guardian for his estate, the *Plan Administrator* may, in its sole discretion, make any and all payments due under the *plan* to the individual or institution which, in the opinion of the *Plan Administrator*, is or was providing the care and support of such *participant*.

What if my claim is for non-U.S. Providers?

Qualified medical flexible spending expenses and *qualified dependent care flexible spending expenses* for care, supplies or services which are rendered by a provider whose principal place of business or address for payment is located outside the United States (a “*non-U.S. provider*”) may be reimbursed under the following conditions:

- The *participant* is responsible for making all payments to *non-U.S. providers*, and submitting receipts to the *Plan* for reimbursement;
- Benefit payments will be determined by the *Plan* based upon the exchange rate in effect on the *incurred* date;
- The *non-U.S. provider* shall be subject to, and in compliance with, all requirements under *Code* § 105; and

MISCELLANEOUS INFORMATION (Continued)

- Claims for benefits must be submitted to the *Plan* in English.

How will the *Plan* recover payments made in error?

Whenever the *Plan* pays benefits exceeding the amount of benefits payable under the terms of the *Plan*, the *Plan Administrator* has the right to recover any such erroneous payment directly from the person or entity who received such payment and/or from the *participant* on whose behalf such payment was made.

A *participant*, *spouse*, *dependent*, provider, another benefit plan, insurer, or any other person or entity who receives a payment made in error under the terms of the *Plan*, shall return the amount of such erroneous payment to the *Plan* within 30 days of discovery or demand. The *Plan Administrator* shall have no obligation to secure payment for the expense for which the erroneous payment was made or to which it was applied.

The person or entity receiving an erroneous payment may not apply such payment to another expense. The *Plan Administrator* shall have the sole discretion to choose who will repay the *Plan* for an erroneous payment and whether such payment shall be reimbursed in a lump sum or other arrangement, as agreed.

Participants accepting payment from the *Plan*, in consideration of such payments, agree to be bound by the terms of this *Plan* and agree to submit claims for reimbursement in strict accordance with the requirements of this *Plan*. Any payments made on claims for reimbursement not in accordance with the above provisions shall be repaid to the *Plan* within 30 days of discovery or demand or incur prejudgment interest of 1.5% per month. If court action is necessary to recover any erroneous payment, the *Plan* shall be entitled to recover its litigation costs and actual attorneys' fees incurred.

How will the *Plan* handle medical child support orders?

The *Plan Administrator* shall adhere to the terms of any *medical child support order* that satisfies the requirements of this section and Section 609 of *ERISA*. The *Plan Administrator* shall enroll for immediate coverage under this *Plan* any *alternate recipient* who is the subject of a *medical child support order* that is a *qualified medical support order* if such an individual is not already covered by the *Plan* as a *dependent*.

The *Plan Administrator* shall promptly notify the *participant* and each *alternate recipient* of:

- The receipt of a *medical child support order* by the *Plan*; and
- The *Plan*'s procedures for determining the qualified status of *medical child support orders*.

Within a reasonable period after receipt of a *medical child support order*, the *Plan Administrator* shall determine whether such order is a *qualified medical child support order* and shall notify the *participant* and each *alternate recipient* of such determination. If the *participant* or any affected *alternate recipient* disagrees with the determinations of the *Plan Administrator*, the disagreeing party shall be treated as a claimant and the claims procedure provided in the section, "Claims Review Procedures," of the *Plan* shall be followed. The *Plan Administrator* may bring an action for a declaratory judgment in a court of competent jurisdiction to determine the proper recipient of the benefits to be paid by the *Plan*.

Upon receiving a *national medical support notice*, the *Plan Administrator* shall:

- Notify the state agency issuing the notice with respect to the child whether coverage of the child is available under the *Plan*, and if so:
 - Whether the child is covered under the *Plan*; and

MISCELLANEOUS INFORMATION (Continued)

- Either the effective date of the coverage or, if necessary, any steps to be taken by the custodial parent or by the official of a state or political subdivision to effectuate the coverage; and
- Provide to the custodial parent (or any state official serving in a substitute capacity) a description of the coverage available and any forms or documents necessary to effectuate such coverage.
- To give effect to this requirement, the *Plan Administrator* shall:
 - Establish reasonable, written procedures for determining the qualified status of a *medical child support order* or a *national medical support notice*; and
 - Permit any *alternate recipient* to designate a representative for receipt of copies of the notices that are sent to the *alternate recipient* with respect to the order.

Payments made under this *Plan* pursuant to a *medical child support order* described in this section in reimbursement for expenses paid by the *alternate recipient* or the *alternate recipient's* custodial parent or legal guardian shall be made to the *alternate recipient* or the *alternate recipient's* custodial parent or legal guardian.

What account information will I receive?

- Each Flex Explanation of Benefits received by mail will contain the account balance information.
- Account information is also available on the website at www.pbaclaims.com.

CLAIMS REVIEW PROCEDURE

Upon receipt of complete information, the claim will be deemed to be filed with the *Plan*. The *third party* administrator will determine if enough information has been submitted to enable proper consideration of the claim. If not, more information may be requested as provided herein. This additional information must be received by the *third party* administrator within 45 days from receipt by the *participant* of the request for additional information.

Failure to do so may result in claims being declined or reduced.

Timing of claim decisions

The *Plan Administrator* shall notify you, in accordance with the provisions set forth below, of any adverse benefit determination within the following timeframes:

- If you have provided all of the information needed to process the claim, in a reasonable period of time, but not later than 30 days after receipt of the claim, unless an extension has been requested, then prior to the end of the 15-day extension period.

If you have not provided all of the information needed to process the claim and additional information is requested during the initial processing period, then you will be notified of a determination of benefits prior to the end of the extension period, unless additional information is requested during the extension period, then you will be notified of the determination by a date agreed to by you and the *Plan Administrator*.

Extensions. This period may be extended by the *Plan* for up to 15 days, provided that the *Plan Administrator* both determines that such an extension is necessary due to matters beyond the control of the *Plan* and notifies you, prior to the expiration of the initial 30-day processing period, of the circumstances requiring the extension of time and the date by which the *Plan* expects to render a decision.

Calculating Time Periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is deemed to be filed in accordance with the procedures of the *Plan*.

The *Plan Administrator* shall provide you with a notice, either in writing or electronically, containing the following information:

- A reference to the specific portion(s) of the *Plan Document/Summary Plan Description* upon which a denial is based;
- Specific reason(s) for a denial;
- A description of any additional information necessary for you to perfect the claim and an explanation of why such information is necessary;

CLAIMS REVIEW PROCEDURE (Continued)

- In the case of denials based upon a medical judgment (such as whether the treatment is *medically necessary* or experimental), either an explanation of the scientific or clinical judgment for the determination, applying the terms of the *Plan* to your medical circumstances, or a statement that such explanation will be provided to you, free of charge, upon request.

Appeals of adverse benefit determinations

Full and fair review of all claims

In cases where a claim for benefits is denied, in whole or in part, and you believe the claim has been denied wrongly, you may appeal the denial and review pertinent documents. The claims procedures of this *Plan* provide you with a reasonable opportunity for a full and fair review of a claim and adverse benefit determination. More specifically, the *Plan* provides:

- *Participants* the opportunity to submit written comments, documents, records, and other information relating to the claim for benefits;
- For a review that does not afford deference to the previous adverse benefit determination and that is conducted by an appropriate named fiduciary of the *Plan*, who shall be neither the individual who made the adverse benefit determination that is the subject of the appeal, nor the subordinate of such individual;
- For a review that takes into account all comments, documents, records, and other information submitted by the *participant* relating to the claim, without regard to whether such information was submitted or considered in any prior benefit determination;
- That, in deciding an appeal of any adverse benefit determination that is based in whole or in part upon a medical judgment, the *Plan* fiduciary shall consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment, who is neither an individual who was consulted in connection with the adverse benefit determination that is the subject of the appeal, nor the subordinate of any such individual;
- For the identification of medical or vocational experts whose advice was obtained on behalf of the *Plan* in connection with a claim, even if the *Plan* did not rely upon their advice; and
- That a *participant* will be provided, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the *participant's* claim for benefits in possession of the *Plan Administrator* or the *third party administrator*; information regarding any voluntary appeals procedures offered by the *Plan*; any internal rule, guideline, protocol or other similar criterion relied upon in making the adverse determination; and an explanation of the scientific or clinical judgment for the determination, applying the terms of the *Plan* to the *participant's* medical circumstances.

HIPAA PRIVACY PRACTICES

The following is a description of certain uses and disclosures that may be made by the *Plan* of your health information:

Disclosure of summary health information to the Plan Sponsor

In accordance with *HIPAA's* Standards for Privacy of Individually Identifiable Health Information (the "*privacy standards*"), the *Plan* may disclose *summary health information* to the *Plan Sponsor*, if the *Plan Sponsor* requests the *summary health information* for the purpose of:

- Obtaining premium bids from health plans for providing health insurance coverage under this *Plan*; or
- Modifying, amending or terminating the *Plan*.

"*Summary health information*" may be individually identifiable health information and it summarizes the claims history, claims expenses or the type of claims experienced by individuals in the *Plan*, but it excludes all identifiers that must be removed for the information to be de-identified, except that it may contain geographic information to the extent that it is aggregated by five-digit zip code.

Disclosure of protected health information ("PHI") to the Plan Sponsor for plan administration purposes

In order that the *Plan Sponsor* may receive and use *PHI* for *plan administration* purposes, the *Plan Sponsor* agrees to:

- If feasible, return or destroy all *PHI* received from the *Plan* that the *Plan Sponsor* still maintains in any form and retain no copies of such *PHI* when no longer needed for the purpose for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the *PHI* infeasible; and
- Ensure that adequate separation between the *Plan* and the *Plan Sponsor*, as required in section 164.504(f)(2)(iii) of the *privacy standards* (45 CFR 164.504(f)(2)(iii)), is established as follows:
 - The following employees, or classes of employees, or other persons under control of the *Plan Sponsor*, shall be given access to the *PHI* to be disclosed: Human Resources Manager, Staff designated by Human Resources Manager, Chief Financial Officer, *Plan Auditor* or others as designated by the *Plan Administrator*.

Pursuant to section 164.504(f)(1)(iii) of the *privacy standards* (45 CFR 164.504(f)(1)(iii)), the *Plan* may disclose to the *Plan Sponsor* information on whether an individual is participating in the *Plan* or is enrolled in or has disenrolled from a health insurance issuer or health maintenance organization offered by the *Plan* to the *Plan Sponsor*.

Other disclosures and uses of *PHI*

With respect to all other uses and disclosures of *PHI*, the *Plan* shall comply with the *privacy standards*.

HIPAA SECURITY PRACTICES

Disclosure of electronic protected health information (“*Electronic PHI*”) to the Plan Sponsor for *plan administration functions*

In accordance with *HIPAA’s* Security Standards for the Protection of *Electronic PHI* (the “*Security Standards*”), and to enable the *Plan Sponsor* to receive and use *Electronic PHI* for *plan administration functions*, the *Plan Sponsor* agrees to:

- Implement Administrative, Physical, and Technical Safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of the *Electronic PHI* that it creates, receives, maintains, or transmits on behalf of the *Plan*;
- Ensure that adequate separation between the *Plan* and the *Plan Sponsor*, as required in 45 CFR § 164.504(f)(2)(iii), is supported by reasonable and appropriate Security Measures;

Any terms not otherwise defined in this section shall have the meanings set forth in the *Security Standards*.

STATEMENT OF ERISA RIGHTS

As a *participant* in the *Plan*, you are entitled to certain rights and protections under *ERISA*. *ERISA* provides that all *participants* are entitled to:

Receive information about your *Plan* and benefits

Examine, without charge, at the *Plan Administrator's* office and at other specified locations, such as worksites, all documents governing the *Plan*, including insurance contracts (if any) and copies of the latest annual report (Form 5500 Series) filed by the *Plan* with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the *Plan Administrator*, copies of documents governing the operation of the *Plan*, including insurance contracts (if any), and copies of the latest annual report (Form 5500 Series) and updated *Plan Document/Summary Plan Description*. The *Plan Administrator* may make a reasonable charge for the copies.

Receive a summary of the *Plan's* annual financial report. The *Plan Administrator* is required by law to furnish each *participant* with a copy of this summary annual report.

Continue group health *Plan* coverage

Continue health care coverage in the *qualified medical flexible spending account* for yourself, *spouse* or *dependents* if there is a loss of coverage under the *Plan* as a result of a *qualifying event*. You or your *dependents* may have to pay for such coverage. Review this *Plan Document/Summary Plan Description* and the documents governing the *Plan* on the rules governing your *COBRA* continuation coverage rights.

Prudent actions by *Plan* fiduciaries

In addition to creating rights for *participants*, *ERISA* imposes duties upon the people who are responsible for the operation of the *Plan*. The people who operate your *Plan*, called "fiduciaries" of the *Plan*, have a duty to do so prudently and in the interest of you and other *participants* and beneficiaries. No one, including your *participating employer* or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under *ERISA*.

Enforce your rights

If your claim for a health benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under *ERISA*, there are steps you can take to enforce the above rights. For instance, if you request a copy of *Plan* documents or the latest annual report from the *Plan* and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the *Plan Administrator* to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the *Plan Administrator*. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the *Plan's* decision or lack thereof concerning the qualified status of a domestic relations order, a *medical child support order* or a *national medical support notice*, you may file suit in Federal court. If it should happen that *Plan* fiduciaries misuse the *Plan's* money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who would pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.
